LAST NEWSLETTER FROM FISHING FOR 2017

As I write the last newsletter from fishing for the year I can report that we have another couple of fisher joining the monthly competition. To join it's as simple as either paying your \$20 over the bar or contacting Kerrie with your credit card number. Each month you can register up to 6 legal size fish of any species. Each of your fish will be recorded with a marble number and in you go for the month draw. The draw is the first Thursday of the following month, you don't have to be in the club rooms to collect the prize, the prize remains yours to collect.

You must leave from Auckland harbour and fish with the boundary lines. Honesty is the best policy. Simply take a photo of your fish and email to the office info@pybc.org.nz .

The other competition is again simply to join. You may fish anywhere for a trophy fish. All details are listed in the club. It's been a while since trophies have been awarded so this year we expect to see some great fish being registered. Please send a photo with details of the catch (weight/size) to our club's email address.

Winners of this competition will receive trophies at our annual prize presentation and diner. Let's see some new names on these wonderful trophies.

Lastly good fishing and be safe this year. Life jackets saves lives; don't be afraid to wear one.

I remind you again to support our sponsors where possible

PANMURE YACHT & BOATING CLUB SEASON FISHING

Last week's fishing report focused on the monthly fishing, we can report fisher numbers are still on the incline with another 3 paid up members. We now enter the cruising season and what a wonderful opportunity to join the monthly fishing and be in the draw. As said last week the rules can't get any simpler. Call Kerrie in the office and register your name and join in the fun.

This week we are focusing on the specific trophy cups allocate to specific fishing species. Again, simply rules as per below, no cost to enter and you could have your name on one of the trophies as many members have from year past.

Fishers may fish anywhere, open waters. Simply take a photo of your fish and e-mail a photo of the fish on scales clearly showing the weight of the fish to info@pybc.org.nz

Boats must leave from Hauraki Gulf waters. Open to all current club members. No cost to enter. At the annual prize giving and dance, cups will be award in each of the listed categories.
