### **YARD**

There will be several movements this weekend starting at 7.30am. Unfortunately with the bad weather last weekend due to the NE conditions several boats did not get relaunched or Quick Hauled so we now have a further backlog.

Xmas Shutdown for the yard, closed between the 24<sup>th</sup> December and the 7<sup>th</sup> January as the yard team will be on leave. - Whilst we hope to get most boats done before closing that have insurance cover, and anyone wishing to be re-launched, please make arrangements with the office before the 20<sup>th</sup> December and settle your accounts so that you can be re launched on or before the 23<sup>rd</sup> December.

There are boats on the waiting list for Haul-Outs that do not have full cover or have organised their own 3<sup>rd</sup> Party Insurance. It is up to the owner to arrange Insurance cover while in the yard. Boat owners are to contact Stacey Archer (below) to pre-arranged insurance with before Hauling Out.

## THIRD PARTY INSURANCE

At this time, only boats with full general cover can be hauled unless the boat owner can arrange suitable 3<sup>rd</sup> Party with PandI Insurance cover for the duration of the stay. At this time, the only company that can arrange this, appears to be Marsh at \$100 per fortnight. Contact is Stacey Archer, DDI: +64 9 928 3132 | Mob: +64 21 204 2272 | [stacey.archer@marsh.com](mailto:stacey.archer@marsh.com), and this requires preapproval from their underwriters.

## DON ADAMS MEMORIAL RACE – Abandoned due to lack of entries and bad weather.

River Race number five

Saw a good turn out of 7 boats the weather was set for a nice light wind race.

With an almost dead low tide we were almost guaranteed a repeat of bumper boats on the mud hopefully those that had hit the mud in previous races had learnt their lessons.

Starting with Lady O followed by Waitemata Sparkling, Swaggy then the Tart, Buoy Racer, Babe and their Rocky friends Crowded House from Bucklands Beach.

Lady O along with Waitemata Sparkling and Swaggy got off to a perfect start taking advantage of the last of the outgoing tide. Right behind them was the Tart who also had a clean start next was Buoy Racer with the absence of Holger got away on time and was set to chase down the fleet, we will get back to Buoy Racer later.

Last off the start was the two young 88s

Babe and their visitors Crowded House while Babe got away almost on time, Crowded House decided not to listen about the reef outside the club or thought it was a good parking spot before the start. This would see them finally towed off the reef by a good sort from opposing clubs and off they went ten minutes late.

While all this was playing out Waitamata had made it to Point England along with Lady O, Swaggy and Frenchy. Wait where was the Buoy Racer? Luckily Babe had spotted them well and truly inside the red cans and keeled over (The boat that draws the most hand learn their lessons) and Babe took the opportunity to sneak on pass. The crew from Buoy Racer worked hard to come off the mud bank as they saw a second Y88 heading up the river this would see the motor off the mud and continue the race in front of Crowded House.

The rounding saw a nice downwind leg to the club house the remainder of the fleet had a clean and mudless race. No one could keep up with Waitamata's pace who took the gun (well deserved), followed by Swaggy 2nd then French Tart 3rd who also had a great race with Babe just behind them followed by Buoy racer, Lady O, Crowded House limped home 7th (welcome to the river guys!).

Another awesome evening racing on the river with a good turnout of boats.

Till next time.

Gavin off BABE.
