### Weekly news

Last Thursday night was busy again, members challenging the weather to come into a warm and friendly atmosphere.

Many were dining and the feedback from members is the George and the team delivered great meals without undue delay. Keep up the good work galley team! This week have a look at what's on the menu, something a little different.

Saturday night was where it was happening, I'll leave it to Jo to expand on, but to Jo and her team a job well done!!

The yard remains particularly busy but Steve has been moving boats. Just a reminder that if you agree with Steve to a movement please don't change your mind at the last minute whereas he could have another boat hauled. Should you do this you will be going to the back of the list. Exceptions are where the weather condition is not playing ball, Steve will communicate to the best of his ability in advance and work out an alternate time/date.

You will see that we removed the old well-worn scruffy arm-chairs from under the balcony and dumped them. These came off a member's boat and were left in the yard. We have

made good progress in tidying some of the areas up and don't need someone else's junk. Please before leaving anything around the yard/club check to see if we want it. Clearly, we appreciate good stuff and will continue to lift the presentation standards all we ask; is please check with one of the committee members before offloading what may be considered junk.

**Reminder:** July, we have the AGM, if you have something you consider the club could benefit from now is the time to put a notice of motion forward. Remember this club is yours and to improve on the greatness of our club any suggestion to improve on what we have; the time is at the AGM. Nominations and motions need to be in to the office by Saturday 11<sup>th</sup> July 2020. Notwithstanding the AGM you can always talk with one of our committee members for any day-to-day issues. Your committee is here to work for you.

We already have some nominations for positions, it would be great to see some new faces coming forward. While filling one of the positions is not too difficult, the expectation is, we all are here to work for the betterment of our club. Therefore, be prepared to offer your services as a working member.

## Winter Racing

River race this Sunday 5<sup>th</sup> July 1.30pm, see you there!

Please! no dinghies to be tied to the inside berths, these are to be made available for the racing yachts.

## Social Committee Report

Prize giving dinner and dance was a great success on Sat night with about 80 attendees in some fabulous costumes.

The club looked fantastic thanks to the amazing social committee. Special mention to Hannah, Nina and Grace who master minded the 20s décor and Peach McLaren on the photo booth.

Music was provided by DJ Pauline and the Matthew King ensemble, with Dennis Christopher breaking out the saxophone for us as well.

The galley staff and volunteers were very busy providing the partygoers a buffet meal which sustained the dancing well into the night.

**Congratulations to all the winners.**

**Your social committee will be planning further events so keep an eye out for dates to put in your calendar.**

Look forward to seeing you at the Club and on the water.

Jo Cormack

Club Captain
