Weekly News

Reminder: The **AGM, is this Saturday @2.00pm**. We encourage you to attend. The agenda has been sent to members by email, for those members who don't have email hard copies have been mailed to you. Your committee has worked hard throughout the past year and they have worked towards keeping members up to date with what is happening in your club. In the AGM agenda is some important business that will impact on our club in the coming year. We need your support and feedback, this is the time express if your committee is on the right track, we are looking for a good turnout.

Work is well underway with the refurbish of the ladies shower/toilet. Final gib stopping today and tomorrow finishing touch up to the gib stopping. Water tightness of the shower area underway and tiles are to purchased today and start the process of laying Wednesday. Sorry ladies for the inconvenience but the end result will have been well worth waiting for!!

Saturday evening Carl celebrated his birthday using our club facilities, thanks to a great team effort from our social team and with Carl's team, to help make the environment fantastic for this celebration.

Thursday night we had a great turnout of members enjoying their club. I received good feedback on the meals and particularly short time of waiting. George and the team have picked up the pace. Introduce friends to our club and bring the family down for a great meal.

A note from Graeme Bent (Buckle) to share a little information of Linda's wellbeing

"ALLways  Keep Fighting"

Hi I am Linda, I had a brain tumour 35 years ago which is ok now, but I have been left with scar tissue which keeps touching part of my brain, this gives me muscle spasms and I fall down. Please try not to touch me as this is forcing my muscles the wrong way. If anyone does have a problem please talk to Dad first.

Winter Racing

Race Account - Winter Race #3 - Sponsor Cosnor Press

It was a lovely Sunday afternoon with a blustery easterly 15-20knots and an incoming tide. Five starters with Sir Duke, Strong Persuader, Rajah, Tart & Buoy Racer (Babe did race in the three handed Y88 nationals). The gap between first and last starter was 16min, which ended up a very fast race. No way to catch up this gap ...

The 10m boats were off to a good start, Persuader off first, then Rajah with Tart in tow, then Buoy Racer at six minutes later.

Sir Duke was almost around Pt England when we finally got past Krisis, with all 10m boats in Sir Duke's chase.

After the Pt England rounding only some boats were flying spinnakers, including Strong Persuader (at least there was an attempt). The rounding was somewhat a bit of a challenge with a semi submerged buoy, which was not visible on the second lap. May this be a navigational hazard? Perhaps an after dark session to get rid of this hazard would be a solution. Any takers Stevo?

Our gennaker ride was very short lived (with 10 knots of top speed) - in the easterly anyway. Towards the finish line we took care to give Strong Persuader some room (even though on port), flying our kite, a slow ride to the rounding in front of the clubhouse - straight downwind. Upwind, again lifts and knocks changing every half a minute, challenging for all boats today.

Strong Persuader apparently led Tart almost onto the mud, or at least identified the low spot for Marcus. Rajah had the best day of all the boats, getting away in white sails only catching Sir Duke and holding out everybody for the gun. The run sheet had Sir Duke as DNF - not sure what happened there. Second over the line was Tart, followed by Strong Persuader.

Good to be out there again, after 4 weeks of not racing.

See you all out there in two weeks.

Dinghies on the wharf

A reminder that dinghies are not to be tied to the pontoon or the bridge, but they can be tied to the wharf. A notice to this effect has been placed by the bridge and we ask members to comply. Unless we get co-operation for the benefit of all members the committee may have to consider being more pro-active.

Dogs in Yard

A reminder for members that dogs in the yard are to be on a leash, this is part of the council's bylaws for all parks and reserves.

Social Committee Report

We had another fantastic dress up party on Saturday with a nautical themed dance and supper. Carl's 50th Birthday celebrations went well and we thank him and Mariana for providing the supper and oyster!.

The club looked great again thanks to the amazing social committee and some props found around the place.

Your social committee will be planning further events so keep an eye out for dates to put in your calendar.

Look forward to seeing you at the Club and on the water.
