Or Fish of the Day

Weekly News

The AGM on Saturday had a good turnout of members. Overall, the meeting went smoothly.

Good discussion was held on the motions of installing a lift, which was carried. Our team who have done the work on costings and design will now commence working toward consents and submitting requests for funding. As we progress through each stage, we intend to keep members well informed.

The two motions put forward by James Irvine were not carried. Unfortunately James, due to illness, was unable to attend and therefore the lack of members clearly understanding the detail of the motion perhaps was the main reason why it wasn't carried.

A special thanks to Klaus Liebischer who had taken time to give a well written script on his position toward the installation of lift versus other areas of the club which require attention.

Yard charge increases which the members approved, will come into effect in September when invoicing will be sent.

Work is well underway with the refurbish of the lady's shower/toilet. Tiling is well underway, the work is taking a little longer than was expected but each day we get closer for its commissioning. Sorry ladies for the inconvenience but the end result will have been worthwhile waiting for!!

Thursday nights continue to see more members coming down and dining. With the weekly membership lucky number draw up to \$1500 it seems to attract members, remember if it doesn't go this week the reverse number will start increasing by \$100 weekly.

Winter Racing

Racing this Sunday 2nd August 1.30pm Sponsored by Haslips Tyres, so we look forward to seeing everyone down at the club on Sunday afternoon.

Dinghies on the wharf

A reminder that dinghies are not to be tied to the pontoon or the bridge, but they can be tied to the wharf. A notice to this effect has been placed by the bridge and we ask members to comply. Unless we get co-operation for the benefit of all members the Committee may have to consider being more pro-active.

Outdoor Dinghy Stand

We have been conducting an audit on the inside dinghy lockers and we are now looking at the outside dinghy stand. Can members who have their dinghy on this stand please let Dawn in the office know, as according to our records there are only 3 registered to be on the stand. Email info@pybc.org.nz Ph: 570 2318 Thank you.

Membership Details

Please make sure that the club has any changes of membership details, including any changes of boat, address, contact phone numbers and email address. You can email the office info@pybc.org.nz or Ph: 570-2318 during office hours Mon-Wed & Fri 9am to 2.30pm, Thursday 1.00pm-6.30pm Thank you

Social Committee Report

Rugby

HIG v BLU LIVE Sunday 02nd Aug July 3pm: LIVE coverage of the 2020 Investec Super Rugby Aotearoa Season as the Highlanders host the Blues at Forsyth Barr Stadium, Dunedin...so come down to the club and enjoy the action with a beer and the galley will be open for snacks.

More activities are being planned for the end of August and September so watch this space!
