Weekly news

Last Thursday night was the quietest we have had at the club since reopening from COVID-19 lockdown. Clearly the winter months are slowly creeping up on us. Not only winter but coming off the previous Saturday function evening.

Let's see you all down at your club this Thursday evening, in this nice warm cosy friendly atmosphere.

The number of members waiting for either quick-hauls or waiting to move into the yard continues to be problematic. The weather this time of the year just isn't playing ball. Steve continues monitoring the situation and continues doing his best.

Please keep in touch if you have any doubts about when you will have your chance for hauling, Steve will be in contact as soon as he sees a window of opportunity. At the time of writing this newsletter we have 34 requests in the line-up.

Reminder: July, we have the AGM, if you have something you consider the club could benefit from now is the time to put a notice of motion forward. Remember this club is yours and to improve on the greatness of our club any suggestion to improve on what we have; the time is at the AGM. Notwithstanding the AGM you can always talk with one of our committee members for any day-to-day issues. Your committee is here to work for you.

We already have some nominations for positions, it would be great to see some new faces coming forward. While filling one of the positions, is not too difficult, the expectation is, we all are here to work for the betterment of our club. Therefore, please be prepared to offer your services as a working member.

Ladies Toilets/Showers Renovation

Please note, the ladies toilets/showers are going to be **out of action** for two weeks from **Saturday 11th July** for the renovation process to take place. Please use the men's facilities in the meantime and ensure that someone is there to advise the male users that you are in there. Thanks for your patience, it will all be worth it!

Winter Racing

Sadly no racing last weekend due to weather and other commitments, next race is on Sunday 19th July at 1.30pm and hopefully better conditions!

Dinghies on the wharf

A reminder that dinghies are not to be tied to the pontoon or the bridge, but they can be tied to the wharf. A notice to this effect has been placed by the bridge and we ask members to comply.

Dinghy Locker Number 111

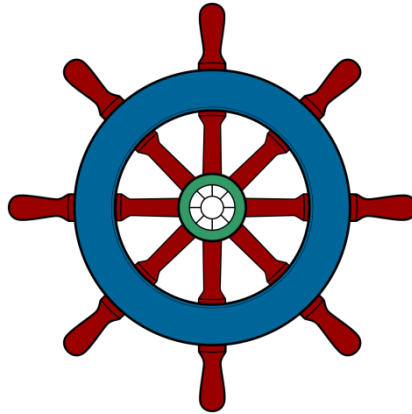

Could the owner of the dinghy using locker 111 please advise the office who they are.

Outboard Motor

Does anybody have an outboard motor surplus to their requirements that they could consider donating to an elderly member who lives on the river and is struggling with oars. Please contact the office.
